Authentic STAAR 2.0 Questions – New Question Types

Sirius STAAR Assessment Bank items and RLA passages closely **match STAAR 2.0 in content, format, and rigor.**

Sirius matches the new Blueprints with:

- 30% new question types including 2-point and SCR / ECR items
- 60–65% Readiness TEKS and 35–40% Supporting TEKS
- RLA argumentative and cross-curricular passages with 50% writing

Secure Pre-Built Assessments – Convenient & Customizable

Ready-to-use pre-built assessments for all 20 STAAR-tested courses.

All questions are new and distinct from our *Sirius Online* eCourses.

- **Secure**—private until published by Admins
- **Customizable**—add, remove, and rearrange items
- **Spanish**—parallel Grades 3–5 assessments
- **Practice Tests**—full-length authentic STAAR 2.0 tests

1:1 Spanish Translation

Released STAAR Test Items – Maximum Flexibility

Sirius STAAR Assessment Bank includes 3,950+ **released STAAR test items**, at no cost. This includes 56 STAAR 2.0 RLA passages with 318 items from Spring 2023.

- Seven years of released print tests (2016–2019, 2021–2023)
- Online STAAR 2.0 tests with new question types (2023)
- A TEA copyright notice within each item (to keep them separate)

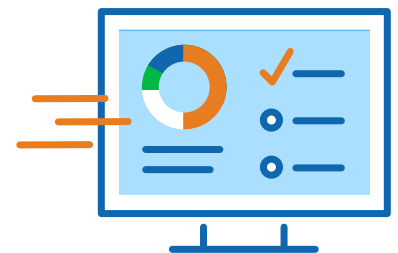

NOTE: Older TEA science and social studies were aligned for new TEKS.

High-Quality Assessment Data – Make Informed Decisions

Secure and authentic STAAR assessments provide valid data on all students' TEKS mastery and progress. Analyze data to make needs-based interventions.

- Assessments are delivered via the *Sirius Online* platform with **similar online STAAR tools**.
- Student data can be exported as CSV files for analysis and disaggregation.
